Juta, Limited, 2011 - Career development - 402 pages. 3 Reviews. The 4th edition of this market-leading textbook on careers in the organisational context retains its popular blend of theory, classical research, and case scenarios and application activities. However, it has been substantially revised and updated with new material that reflects contemporary research and trends in the careers field, and real-life South African case scenarios.

Careers An Organisational Perspective 4th Edition Coetzee

Why is Career Management Important to an Organization? From the company 's perspective, the importance lies in the ROI. With an increasingly short-term work engagement with Gen-X, and now Gen-Y, the failure to motivate employees to plan their careers can result in a shortage of employees to fill open positions and lower employee commitment.
