Think!: Before It's Too Late: Bono, Edward de ...

In his book, Think Before Its Too Late, Edward De Bono criticizes our complacency about the quality of our human thinking. He does affirm that the currently used thinking methods are good, but not enough. Throughout the books chapters, De Bono provides examples of the new way of thinking he suggests, which he calls lateral thinking.

5.0 out of 5 stars It's never too late to begin thinking about thinking better. Reviewed in the United States on July 26, 2014. Verified Purchase. Edward de Bono uses this book to recycle some of his earlier ideas on thinking, but he also adds emphasis in new areas like education at all levels. He is particularly critical of how "thinking" is handled at the university level -- emphasis on creative thinking -- but his words strike home for other levels of education as well.
